ABOUT ME

Second-year student at Plekhanov Russian University of Economics, Media Communications program, Film and Media Production track. I am developing as a producer, videographer and editor.

I have worked with private clients, athletes, bloggers and commercial projects. I take a project from idea to finished result:

- discuss the brief with the client;
- develop and agree on the concept;
- organize the shoot;
- work with the people on camera and the locations;
- shoot;
- edit and do the post-production.

EXPERIENCE

Videographer and editor, freelance
2023 — present

- Shooting and editing commercial and personal video content.
- Working with private clients, athletes, bloggers and local projects.
- Short vertical videos (Reels, Shorts) and long horizontal videos.
- The full cycle: client communication, idea development, preparing and organizing the shoot, shooting, editing and final grading.
- Organizing the shoot on my own and working with the people on camera.

SELECTED PROJECTS

- Vertical videos for Alexandra Deeva, Master of Sport in figure skating.
- Fitness content together with a trainer: idea, organizing the shoot, working with the athlete, shooting and editing.
- Sports content with an equestrian coach.
- Automotive video content.
- Shooting and editing a wedding.
- Long custom videos for private clients.
- Content for local venues, brands and social media.

PRODUCTION SKILLS

EDUCATION

Plekhanov Russian University of Economics
2025 — present

Media Communications program, Film and Media Production track, year 2.

On my own, I study film theory, cinematography, lighting and editing.

SPORTS

- Moscow Hockey Championship, 1st place (2024)
- Moscow Oblast Hockey Championship, 3rd place (2025)
- Moscow Marathon finisher, 42.2 km (2026)
- 13 years of hockey, since age 6

Sport taught me discipline, teamwork and how to keep going under pressure until the job is done.

PERSONAL QUALITIES

Sociable, proactive, responsible, calm under pressure, a team player who finishes what he starts.
